Hi there,

Thank you for accepting the terms and conditions. We are thrilled to inform you that you have been successfully added to all our platforms and channels! Now you can actively be a GDSC lead and start your club.

We have gathered all the information you might need in the [Onboarding Kit](#). You will find interactive [Pathways](#) to get to learn more about the program. You will also find instructions and resources on how to use our platforms and what you should know before you start building your community.

Please take some time and review the **onboarding kit** and explore all linked resources carefully.

Shortly you will be contacted by a regional lead who will present you with the next steps in the program.

Once again, huge congratulations on becoming a GDSC lead and we look forward to seeing the impact you bring to your community!

Best wishes,

Google Developer Student Clubs team
