

Hi Shubhi,

Great news! You have been selected as a scholarship recipient of the 2021 APAC Generation Google Scholarship: for women in Computer Science! Congratulations and we are delighted to have you on the team.

As a scholar studying in APAC, you will be receiving a **scholarship amount of USD\$1,000** and an invitation to the **2021 APAC Scholars' Virtual Retreat** taking place at the end of June, hosted by Google!

We will be sharing more details about the virtual retreat and the process of receiving the scholarship amount. But first, let's CELEBRATE :) We have prepared a lovely **Welcome Kit** for each scholar! Please kindly complete [this form](#) by June 7th.

Congratulations again! As always, please reach out to generationgoogle-apac@google.com if you have any questions!

Note: Given the COVID-19 situation and shipment control, please expect a longer delivery time, subject to local shipment policy and availability. There is a possibility that the Welcome Kit will reach you after the virtual retreat, and we seek your kind understanding on this.

Best,
Generation Google Scholarship (APAC) Team
